**Subject:** Cleanup the Willamette, protect our jobs

I'm writing today because I want the EPA to would propose a cleanup plan that works for small business.

I am all for a clean river. We all enjoy visiting the parks and trails near the Willamette. But I also know that the river helps produce millions in wages for people and companies who work in the Portland harbor. Please be sure that your plan is good for them, too.

Thank you for considering my concerns. I hope you will agree that we need to do all we can to support Portland's environment and economy.

Sincerely,
